“ I was lucky to work with Brion on a project at ThreeBridge last year. I learned so much from him during that time. I am 20 years older than he is and was blown away by the wisdom of his young years. He was so smart and so kind to our team, not to mention just such a fun person to work with. This news is so heartbreaking. Will any of the services be live-streamed ?
My condolences to all of Brion's family and friends.

“ As a colleague, Brion was awesome! He was a giver of his support and time. I, along with many, will miss our friend. This is heartbreaking and I pray for comfort for the family.

“ I remember Brion for Silas Willard School where I taught art. It was my joy and privilege to have most of the Edwards family in class. I lost my brother in February of this year and know that a sibling holds a very special place in our hearts because of our shared history. Remember the stories and share them about dear Brion. Keeping you in my thoughts and prayers with love.

“ Brion was an awesome person all around. We grew up together and were soccer teammates junior high through high school. My father was our coach at Churchill Jr High and I always remember him calling Brion, "Byron", no matter how many times I corrected him lol. My father passed away earlier this year, but I know he would be very heartbroken about this news. One day I will get around to watching the recorded high school soccer games my dad recorded, but I know it is going to be really hard hearing him yell, "shoot it Byron, now now now!"

Thoughts and prayers to all of the family.
