“ *Sharon I don't have the words to say how devastating a loss this is. All I can say is that I am praying that the Prince of Peace keeps your family wrapped in his living arms and gives you the strength to make it through today and the painful ones after. “ *The family of B, friends, co-workers, and anyone who has been affected by this loss, are all in my prayers. She was a very good friend of mine, more like family.... we've shared multiple jobs as co workers, partied together, and even shared the same hometown. This is a tough situation to accept, but I know God makes 0 mistakes. Once again, the prayers shall continue from my end. RIP friend.*

“ *To my sister Sharon I'm sending lots of love hugs and condolences to you and your family in your time of need. Brittany was a bright and very smart young lady she was taken too soon but God makes no mistakes. She's resting now your job here is completed. You will be truly missed by everyone who knew you. God picked a beautiful rose and a beautiful soul. Watch over your family until we see each other again. Love your TT Angie* ❤️❤️
