“ Those we love don't go away; they walk beside us every day. Unseen, unheard, but always near, so loved, so missed, so very dear. Remember the best times, the laughter, the song. The good life Byron lived while he was strong. Rest well King!! We give our condolences and prayers to the entire Allen family during this time of sorrow.

We pray that the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. Philippeans 4:7

“ Family,

We are so very sorry for your pain and grief. Kim has talked so lovingly about her family ever since we met, and when Byron fell ill, you could hear and feel her heartbreak as she spoke.

We prayed and believed God to heal their firstborn on this side of heaven. I know you all's pain and sorrow is mighty and strong because you love Byron, but we know God loves Him more than any of us could. May God's peace that surpass all understanding encompass you all and comfort your mind, heart, and spirit.

Many blessings and much strength on your journey through bereavement.
