*I am deeply sorry to hear about the loss of a great man in my eyes! I owe him so much from his teaching me about the business of construction with a great mixture of humbleness. I will always love this smart intelligent man of God . Rest In Peace my brother and family remember Romans 8:28-31 nothing can separate us from the love of God through Christ Jesus. Sincerely pastor Now Ed Hall (SAC).*

“ I have fond memories of visiting Brother Guthrie with the Northern Caribbean University Atlanta Alumni Chapter, last year. He enjoyed the singing and a walk down memory lane, as we shared comforting Bible Verses and stories from yester year.

*I first heard about Byron and Jean from the late Patmah and Roger Davis; they loved the Guthries, dearly. Byron is also highly treasured and loved by many family and friends. His nephew, Dickie made sure that his Uncle Byron know, that he was very special and loved.*

*To the Guthrie family, please accept our condolences on the passing of a giant. Rest In Peace Brother Guthrie. May the memories of your unforgettable life, warm the hearts of your loved ones, during this difficult time.*

“ I met Byron through Jean in 1962 when he was a student at Howard University. He and his friends would drive up to Hamilton Ontario Canada, where Jean, Constance and myself shared an apartment. Those were wonderful happy days. Byron was a wonderful Human Beighn, A Great Husband and Father. He will be greatly missed.

“ God Bless the family. I had the pleasure of meeting his beautiful wife and her sister Mrs. Williams some years ago. My treasured time was spent with them at Mrs. Guthrie and her husband's beautiful home. He was watching TV and smiled at me when I spoke to him. Such a handsome man. Mrs. Guthrie and Mrs. Williams and I had a wonderful day laughing and sharing "girl" talk. Mrs. Guthrie was busy the entire time taking care of her husband. What a beautiful love affair and a blessing to be loved. He is in God's arms.

“ My first encounter with Byron goes back to the sixties when I migrated to Canada. His dear wife Jean and myself arrived at the same time and we lived together for a year before they were married. He was then in Washington DC and used to come to Toronto to visit Jean. He was always the perfect gentleman very jovial and fun to be with. I had the pleasure of being a bridesmaid at their wedding and inspite of living in a different country we kept up our friendship. Heaven has gained another angel. He will be missed and Jean you won't be forgotten  
Deepest Sympathy
