DR

“ This one hit me hard. Calvin was a great friend of mine since homeroom in 8th grade. I can't begin to speak on all the adventures and memories we've had together. He was always happy and loud. His presence was always a joy. Even at my 50th birthday party, he was one of the first to arrive and greeted me at the door in his Calvin fashion showing nothing but love. I'm going to miss you my friend and I love you my brother ❤️
