“ Cam was one of the first friends I made at Edwards Middle School. He was always so kind and never failed to make others laugh. He lifted anyone up who was ever feeling low. I'll cherish when we reconnected after all those years after I moved out of state cause it was like no time was ever lost. He will definitely be missed. My sincere condolences to his loved ones.

“ Please accept my heartfelt and sincere condolences to you the family and friends of CJ. I can emphasize with your heart ache. A year and a half ago (March 21, 2022), my one and only granddaughter gained her wings at the tender age of 18. Family, friends, faith and lots of prayers will be what will allow you to get through the moments, the hours, the days and this pain. Please know that you all are in my daily thoughts and prayers. I pray that GOD wraps His arms around you for comfort and peace. 🙏🙏🙏❤️

“ My heart is broken, I don't know how I'm going to cope with this. Your smile could truly light up any room. You were so caring and selfless regardless of the position you were in. One of the sweetest people I know. The love we shared and the bond we had could never be replaced. I'm so glad we got to experience each other. My first love, you will always hold a special place in my heart and in my family. We have memories to last a lifetime. You always looked after me, now I've gained a guardian angel. I love you Cameron Joshua!

CJ I will miss the pop-up visits. I saw you at your grandmother 70 party you gave me the biggest hug. I will cherish that, we chopped it up and you actually told me you love me and gave me the biggest hug!!! It felt like my party. Our last encounter was perfect. CJ thank you for the unconditional love you gave. I know we now have a angel in the sky RIP nephew.
