“ We met at the Rac at Georgia Southern when you join my flag football team. We laughed, and cheered so much. I remembered when you cross AKA along with Jessica and Courtney. We had a great time in New Orleans and we laughed how you had the Decatur County connection. I still can't believe you are gone. Miss you #Skee-Roo.

“ *Truly my heart is aching as it is hard to believe this beautiful, gentle woman is no longer with us. She was a focused student, a loyal friend, and a bright light of optimism. I loved her as my resident, and I respected her as a friend. We will greatly miss our classmate, coworker, and fellow GSU alumnus. My deepest condolences goes to her family. May God's healing virtues permeate your hearts during this time of loss.*

“ My deepest sympathy goes to the family. I had the pleasure of meeting Candace last year in April. I sold her Accord. It was one of the best experiences I had in a very long time. I was so sad to hear about her passing. If you need anything please call me because she was a very special young lady. Darian Hall and family. 4044410615.

“ My heart felt condolences go out to Candance's family. I had the blessings of having daily interactions with Coach McGriff and I am glad for every encounter we had together. She was a shining example for me as a coworker. As the school's clinical assistant she would escort her PE students to me for a bag of ice or a band aid; just making sure in her own way that they were ok. This meant a lot to me and the students. I will miss her so much words can not say. She was a friend & trusted mentor to my 19 year old daughter and our deepest sympathy and prayers will remain with her family.
