“ While my husband and I lived in Decatur, Cantrell was truly a wonderful ray of sunshine. He helped me so much in my garden, but what I remember most of all is that we always had more fun than anything else. He was always working on a project at lunch time so he never let that get past my attention. So some of the fondest times I shared was sitting down with a great lunch, usually Church's Fried Chicken. 'Miss' Berniece' later told me she always made lunch for Cantrell to have. I am so glad he never shared that with me. I drew so much wisdom from Cantrell. I still think of him and fall back on so many things he taught me. I will always love both Cantrell and Berniece. I know both of your are with our Lord and at wonderful peace.

“ To the Johnson family you're in my prayers and my thoughts. Rev. Johnson was a very special and unique person to me and my family he would always ask about my son. He loved his family dearly and will always talk about how proud he was of his family. And we should keep in mind that God is too wise to make a mistake. He is already missed. Earth has no sorrow that heaven cannot heal. Love the Roberson family.
