“ So very sorry to hear this. Carey and I were great friends when we worked at John Deere. Carey was a hard worker but loved to have fun. I always respected Carey as he was honest and was always a friend. GOD BLESS Carey and his family. I would be there but I just had an operation that will prevent me from coming but I will always remember his friendship.

“ To Carey's family. So sorry to hear of your loss. Carey and I were co-workers at John Deere Co for 30 years. Carey started to work 6 days before I did. I will always remember Carey as a good friend and a person with a great personality and a big smile. Please accept my deepest sympathies. RIP my dear friend.

“ My condolences in the loss of your dear loved one. When our loved ones fall asleep in death, the pain of grief seems unbearable. Our loving God Jehovah understands how we feel and he comforts us by means of his word the Bible. Hosea 13:14 says: From the power of the grave I will redeem them. From death I will recover them. The scripture at Psalm 147:3 is also very comforting; He (God) heals the brokenhearted; He binds up their wounds. May these scriptures bring comfort and calmness of heart to you at this time of bereavement.
