“ Frozen Paradise, Lee Haney's, pushing me to be my best, you trying to hook me up with your football friends (LOL :-), you threatening to handle dudes for me (LOL!!), The City, Woodie's parties, Delk Rd, New Birth, ... I could go on and on about all the times we shared, the spots we ate at (mostly Jamaican), the debates, the laughter, the conversations and the arguments...

Man, you have been my dear friend and confidant for over 30 years and I just have no words that will express how much you will be missed. I just called you. You were supposed to train me for my first Master's race. I'll do it anyway, but it will be hard without you. From the bottom of my heart, I love you and always will.

“ I had the pleasure of meeting Carl Sr. many years ago. He entrusted me with his son's football future. I can only hope I met his expectation. I will miss his smiling face and devotion to his family and friends. Rest in peace my friend.,

“ Carl was my friend. His loyalty was fierce. His love was solid. His word was his bond. That's what I respected most about him. Carl made you feel special every time you interacted with him. This is a devastating personal loss and I will miss my brother...GT4LIFE

“ Carl was more than just a friend to me — he was like family. He stood by me through good times and bad, always ready with a helping hand, a listening ear, or a good laugh when I needed it most. His friendship was a constant source of strength and comfort in my life, and I'll forever cherish the bond we shared. Knowing him made me a better person; I will miss him sincerely every day.

My memory is of a dude who wanted to challenge me every single day in the weight room. I wanted to be known as the strongest person on the team and I swear he pushed me every single day. My condolences to a good brother and a damn good Jacket
