“ I send my prayers and condolences to the family of Carlos Walker. I'm hurt and in shock. It has taken me all day to gain the strength to type something. I met Carlos while working in Dallas TX for NAPA in 2013. He worked in the NAPA office In Ga. He has always been a very loving, caring, empathetic, gentle, spiritual, GOD fearing, motivational, cook, Gardner, awesome father, friend, son, concerning and holds the best conversation that last for hours. I will miss our talks about our favorite show “90 day fiancé” lol. You will be TRULY missed my dearest and loving friend.

“ My heart is heavy today as I am just learning of my friends passing. The title of friend is not strong enough for how I felt about this man of god. Our friendship has been over 20 years. We have seen each other through life's ups and downs. I loved Carlos deeply. My condolences to his entire family whom he cherished and to his daughters who have lost their Father. I dreamed about Carlos early today and tried to get in touch with him. That's when I discovered he was gone from this world. He's singing and laughing with the angels now. Carlos fine my Mom a big kiss and I know the two of you have earned your wings.

“ What an amazing man Carlos "Von" was and what a privilege it was to have known him! He always had a kind word, quick to smile and when you asked him "how are you" his replay was always "Blessed!" He was truly the blessing to every person who knew came in contact with him. We shared many conversations and many laughs - he was my prayer warrior. Although losing your Dad, your loved one, your friend is difficult, I hope you find comfort knowing that he is at peace and has received his eternal promise. Thank you Carlos for your friendship and the many memories I will carry with me.

“ Von was always a bright spot in my day and put a smile on my face. I loved chatting with him after our work was handled about sports, current events, etc. He was a colleague and I only talked with him via phone but he still made a lasting impact. Von will be greatly missed.

I thank God for the Love Carlos bestowed upon my entire family Myles and Jared my children, Rhea my sister, Tony of course and my beloved mother Jessie. Carlos love was never-failing as he exemplified Christ always.

My memory, was a thanksgiving holiday when I made the dressing for the turkey it did not turn out to good in my opinion. however Carlos thought otherwise and made a request in ongoing years that i repeat my secret recipe. Oh how special I felt as he was a lifter of my head. I will always remember him as one who changed lives through acts of kindness big and small with the heart of Christ. His smiles lives on. Rest in peace.

“ Carlos was a true friend. Never seen him without a smile, despite the challenges he faced. Always willing to render assistance in any way he could.....even if just a comforting word.

My condolences, prayers and well wishes to his family, particularly his daughter Elizabeth.

Fondly remembered.

“ Carlos was one incredible soul. He truly cared for those around him. I worked with him, and he soon became a father figure to me. I often went to him for advice and he always believed that as long as you leaned into your faith during difficult times, everything would work in your favor. He was one wise man! He always had a comforting way about him, and candy/treats to brighten up your day. He was such a strong person and had such a happy demeanor about him, even during the times he was struggling health wise. Most never even knew it.

We shared a love for gardening and would always check in with each other on weekends and share pictures of our latest projects or ideas for each other's yards. He took such pride in his 'backyard oasis' as he would call it. We also shared a love for Sara Donuts and the pigs in a blanket, and would surprise each other with breakfast every now and then.

I will miss this man so very much! I try to take comfort in that he is with the Lord he adored so very much, and is at peace.

“ Carlos, such a wonderful God loving man. A phenomenal man in every sense of the word from the top of his head to the soles of his feet. Everything Carlos did--he did with excellence, pride, and joy. He was always giving whether it was his delicious chilli, a kind word, a listening ear, a prayer partner, or just his time-he gave it and it was always with a smile. If you were blessed enough to have him as a friend-you definitely had a fiercely loyal and humble man in your corner. He never complained about anything no matter what he was going through he always gave God the glory and his heart and mind the victory. I will always remember his laughter, there was never a time when I spoke to him-that he didn't accompany laughter with his quick wit. You fought a long hard fight-my friend. Life is eternal for you indeed. I love you always and unconditionally.

“ Still after going to see you on yesterday, I still can't believe that you are no longer with us here my brother. One thing for sure is those that really knew you, know exactly where you have gone and left us. You were one of the kindest people I have known. It was a pleasure working with you over the years brother. Never crossed my mind 3 weeks ago that it would be the last time we would see each other here on earth. I send my prayers to your daughter and family that they hold those dear memories of such a wonderful person close to their hearts. Gonna miss you much. Rest in Heaven brother!

“ Today, I extend sincere condolences to "our dear Gracie." I say to you and to the entire family, "Death is not extinguishing the light, it's putting out the lamp because dawn has come." Dawn has come for Mr. Carlos and, though he is no longer here with us in the natural, be very thankful to God for all the good times and happy moments you were blessed to have shared with him.

Mr. Carlos has surely left his imprint permanently etched into the seams of your hearts and thoroughly embedded into the recesses of your souls.

*"He is not lost, your dear Carlos,
Nor has he travelled far;
He just stepped into home's loveliest room
And left the door ajar."*

I beseech, of our Divine Creator, that He brings comfort to Carlos' body, tranquility to his mind, joy to his spirit, and that his path be easy and light.

“ To Carlos's daughter,

Your dad, Carlos, touched so many lives in so many ways. My relationship with him was professional as he supported me in my role as a Medtronic Sales Representative. I could always feel him smiling when he answered my call in need of Technical Support. He uplifted my spirit each and every time we connected. He touched my soul with his joyful, soft spoken voice. He cared. Deeply, Selflessly. Genuinely. He was, to me, the voice and heart of Jesus on earth. I could hear the Holy Spirit every time we spoke.

While I never had the pleasure to meet your dad in person, he reminded me so much of my own dad who loved the Lord more than life. I consider the years that I had with my dad as one of the biggest blessings in my life and I have no doubt that you feel the same way about, Carlos, your dad. Having an earthly father that is so much like our heavenly father is a gift few have. Know that he is at peace now, no longer in pain. Know he sees you, loves you, and watches over you always.

May you feel God's loving embrace in these difficult times.

“ I have fond memories of Carlos. He was such a sweet and gentle man. His smile was infectious and his laugh hearty. He would text me with words of encouragement and songs from the good old days. When I met him, he was listening to *My Soul is Anchored* by Douglas Miller. Carlos, I am glad you were anchored in Him. You taught me many things, one being to always show you love. You loved and were loved. I will miss you my friend. Praying for Elizabeth and the entire family. Take your rest.

“ Carlos was an amazing person that impressed me by his genuine character from the first day that we met to his crossing over into God’s arms. Always a comforting word and a smile, Carlos truly embodied the attributes of his faith. Over the years, I watched Carlos exhibit and live a portion of scripture that guided his actions and drew individuals to him for an encouraging word. One of my favorite passage from the Bible: Matthew 5:16 (KJV) states: *Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. Carlos shined his light everywhere he went and shined it on everyone he met. I will miss our conversations, his smile, but most of all, his shining light. I have been blessed to know him as a team member, father, man of faith, and friend.*

“ My heart was broken to hear of my friend's passing; but I was immediately reminded of his love for Christ Jesus and knew that he would not want me to be sad because he was indeed where he was supposed to be.

Carlos was a gem and a pleasure to be around. He was funny, encouraging, and had a smile you couldn't out shine. He will forever be missed and always thought of. What a great man of God.. what an awesome beacon of light for the Lord...truly a vessel of love and kindness.

I'm still sad..but I know my friend is in heaven sharing his doughnuts with the Angels. I will be forever grateful to God that He allowed me to know Carlos!

To God be the Glory! Rest in love my friend... we'll see you in the morning!

“ Carlos was probably the most uplifting person I have ever known! At Medtronic, he was our adored greeter as he was the first face many of us saw as we entered the office ... he

ALWAYS provided a smile, wave, or morning greeting, all while supporting our customers with his expertise. He would go out of his way to share encouraging words or a message that would make you laugh. Carlos was a strong Christian and lived out his faith each day. Because of his witness, Carlos planted many seeds and helped many believers grow their faith. Although it will not be the same without Carlos, I am comforted knowing he is dancing in heaven with Jesus and surrounded by His glory. There is no more pain, suffering, or tears. I light a candle for the light he brought the entire Medtronic family!

“ Today with heavy hearts we take moment to pause and honor a great man. At Diamond In The Rough we have had the pleasure of working with thousands of amazing girls and families over the past 16 years, but there are often those who are somehow set apart. Mr. Carlos Walker was one of those individuals.

He was a single Dad who enrolled his daughter into DITR as a middle schooler and invited us into his incredible family to walk with them throughout her tween and teen years. She is now a member of our DITR Alumni who is actively pursuing the next chapter of her life. We are proud of her and her tremendous growth and accomplishments over the years. She has and will always be part of our DITR family.

Not only was Mr. Carlos a hardworking, kind, and God fearing man. But he was....

An AMAZING father who loved his daughter immensely and exemplified what it is to be a true “Diamond Dad”.

A gentle father who affirmed his daughter and showed her with his words and actions what it meant to be loved and adored.

A praying father who stood in the gap for his daughter and covered her with prayer as he fought in the spirit for her and her future.

A kind and generous man who put others before himself, whether it was donating snacks to Diamond In The Rough or sponsoring other families in need for DITR field trips or other events.

The type of guy that no matter what he was dealing with, he would always greet others with a smile, a hug and a word of encouragement.

Our beloved Mr. Carlos, earned his heavenly wings. We have no doubt that his soul is at rest in heaven today and that God is saying "well done". He showed us with his life, that anyone can create a child, but taking on the responsibility of loving, nurturing, and raising a child up is a whole different thing.

Today we honor Mr. Carlos Walker and we solicit prayers for his daughter and family.
