Words do not adequately express the void created when a loved one leaves us. Carmen was a quiet, peaceful and calming presence in the lives of all who knew her. May her spirit live on in her children, Kimberly and Kevin, and all who knew and loved her. She touched our lives with love. Thank God.

My heart felt condolences to the Sargeant family. Met Carmen on the job several years ago, she was a warm and pleasant person, we had conversations about visiting my home, Barbados, where one of her best friends lived. Whenever I was visiting I would let her know and she would say, "call my friend" and that one day she will visit as well. She loved the Bajan hot sauce and on my trips would bring her back a bottle. I'm so sorry that she is no longer with us physically but she will live on in our hearts and memories. The love we have for those we hold dear, lives on. Rest In Peace Carmen.

“ Another lovely and caring person taken too soon. Carmen was my friend, my other sister who I rarely saw after she migrated but was reminded of the togetherness we share whenever we connected whether in the USA or Guyana. I join her children - Kimberley and Kevin and her siblings to mourn her loss and celebrate her life. I pray that God gives them comfort, peace and acceptance, in time. Rest in eternal peace, my friend, my sister. Though your candle burned out too soon, you will always remain in my heart!

“ *My deepest sympathies to the family and relatives of Carmen Lopes Sargent. I first met Carmen at University of Guyana in 1976. As freshmen, we were feeling each other out, getting to know one another. I engaged her as a fellow West Bank of Demerara native, though I had left Goed Intent many moons before. A very pretty, sought-after woman on campus, she had a pleasant disposition, cheery smile and reserved posture, weary of any aggressive posturing. RIP Carmen! May you be visited forever with peace, grace and serenity*

“ I first met my cousin in 1972, as a seven-year-old on his first trip to Guyana. She was a lovely, warm and bubbly character who showed me the right way to enjoy sugarcane, and chased me round the yard. Years later, she hadn't changed, and we laughed about that memory. She will always be that kind, warm person with a sense of fun...heaven has gained another angel.

“ My sincerest condolences to Kimberly and Kevin Sargeant children of the late Carmen. My fond memories are the day she brought my young son to America from Guyana for me and the many mornings, we would arrange to leave home so we could travel on the train together just to see each other and talk. She lived on Lenox Avenue and I on Clarkson Avenue in Brooklyn years ago. My dear friend Carmen, may you rest in peace and may God bless and look over your children as long as they live.

On Behalf of the Fraser's/ Anthony Family of Lot 3 Phoenix Park. I wish to extend Sincere Condolences to the immediate and extended Family of Carmen. I moved to Phoenix Park with my Grandparents in the 1970s and the Lopes Family was so Kind to us. I developed friendships with the kids and I always admired Carmen, beautiful, loving and an infectious Smile. I admired her as she went to work in the early mornings and when she opened their gates in the evening on her return. Yes ! I looked up to her and enjoyed (Scratching her Hair) My Love and Prayers are with you all 🙏❤️ REST IN PEACE CARMEN!

On behalf of "Uncle Dennis" and the rest of his clan; Bernil, Beverly, Neilson and Karen along with their families, we send our sincere condolences to Carmen's branch of the Lopes Family Tree.

To the children, Kimberly and Kevin/ Christopher, we share your loss and we grieve with you. The loss of a mother is one of the deepest sorrows a heart can know, but Carmen's goodness, her caring and her wisdom lives on like a legacy of love that will be with you always. May that love surround you now to heal your hearts and bring you the kind of peace that surpasses all.

To the siblings; Colin, Ann, Maurice, Linden, Collette and Marva along with their families; Know that Carmen ran her race with patience. She fought a good fight, she finished her course, she kept the faith and has now gone on, well qualified to receive her prize.

To the rest of the family and friends; Carmen is gone but, she will never be forgotten as she now lives on in our hearts. But, for now we must simply say, "so long."

Carmen is another piece of the tapestry that represents The Lopes Family Quilt who is now separated from it here on earth but, has been re-stitched to the one being recreated in heaven. She has now joined the great cloud of witnesses and will be cheering us on until that glorious day... that one bright morning when we all will fly away.

Until then, let us make peace with our maker and be ready to meet Him. Let us love one another and let us continue to pray one for another. Be safe, be well and God bless you all.

MAY THE SOUL OF MY NIECE "CARMEN" REST IN PEACE.

*"Uncle Dennis" Lopes
63 Phoenix Park / New York.*
