“ I’m so grateful to have met Carol through our work with Healing Hands Worldwide. Her values and kindness inspired me. I was always struck by her strong presence when she spoke. She demonstrated in practice what she stood for, reflecting that old saying: “service is our prayer.” May Carol’s soul and spirit live in our hearts forever. Dan Williams, Healing Hands Worldwide, Boston, Ma.

“ *Carol was larger than life. She brought a certain energy and life to every situation. If Carol was present, you knew it. She was classy, smart, savvy, witty, honest, genuine, outspoken and kind. There was no problem that she could not solve. She could convince anyone to do anything with her charm and grace. She worked hard and loved those in her inner circle fiercely. She was a blessing to our organization, Healing Hands Worldwide, in so many ways and always provided great ideas to move mission forward. She had a heart of compassion for the people who we serve. We will miss her as a colleague and as a friend. Our prayers go out to Donovan, Taylor and Brad. May God give you peace and comfort. From: Erole, Norman, Ennis and Ethann and the Healing Hands Worldwide family 🙏❤️*

“ When I think of Carol, I hear her soft, gentle voice that belied her exacting nature. She was so intelligent and accomplished – determined and no-nonsense. Yet, Carol was balanced – she practiced consideration and graciousness. She knew how to laugh at herself. I marveled whenever I was in her company. Elegant, towering and so comfortable – Carol always took over the room. Together with Donovan, they raised two remarkable young people – smart, curious, responsible – and on a path to emulate their mother’s achievements and extraordinary character. Dear Carol - you have left a void, but also your mark. What a true pleasure it has been to know you. And to your beloved family – my most heartfelt condolences.
