“ *Pastor Carol was our mentor and a sweet spiritual mother. She stood with us in faith to believe God and bring that little miracle into this world. That was about 11 years ago. Throughout our spiritual journey, we learned so much from Pastor Carol, were inspired by her and gained so much strength from her. Pastor Carol was consistently like the Lord to us... compassionate and gracious, abounding in loving kindness. We are forever grateful to have had you in our lives, Pastor Carol. We love you and you will be greatly missed!*

“ Pastor Momoh you and Pastor Carol hold a special place in my heart. I am honored that God allowed me to be a part of your fairy-tale love story. I love telling the story of how she and I met. I met Pastor Carol one day while on an assignment at the Hud office. I arrived to work early and was sitting in the lobby reading my Bible. I looked up and saw this classy, professionally dressed woman walking down the hallway and singing a praise song. She was full of the joy of the Lord. She didn't see me at first, but when she did, it startled her a lbit. She went into her office to put her things down and immediately came over to speak to me. It was like a divine connection. The Holy Spirit in her was drawn to the Holy Spirit in me. We talked at work and I invited her to visit the church. When she attended, she was impressed with the teachings of Pastor Momoh and immediately began serving and supporting the church. Sometime later, they fell in love and got married and the rest is history!

Little did Pastor Carol know, the morning when she was praising the Lord, He was setting her up for a divine encounter. An encounter that would change the course of her life. God was setting her up to meet her future King, Pastor Benny Momoh and they would later have a handsome young Prince. Little did she know that God had chosen and anointed her to be a Queen. The beloved Queen of her family and of Overcomer's Christian Fellowship. She served her family, church and community well. Now God has called her home to be with the King of Kings and the Prince of Peace. We are sorrowful for a moment but, we know that we will see her again and spend eternity in heaven together. Pastor Momoh and Benny, we all love you and are praying for you. Our Heavenly Father is faithful and He will see you through.

“ It sadden me to learn of 1st Lady Momoh passing. I met 1st lady a few years ago at a program my friend Simone had invited me to. Instantly, I was drawn to 1st Lady’s kindness and bubbly spirit. She made me feel like I was family. We laughed so hard that day because she was telling Simone that I was her new best friend. She was such a beautiful person inside and out. Rest well beautiful lady. I know that she will definitely be missed. My condolences to her son and husband. I will keep you all in my prayers. She touched my heart with her beautiful spirit.
