“ I loved your mom. She was such a kind person, loving and very accepting of our family. She helped me with my special-needs son and my other two children. She often spoke about her loving relationship with her daughter and son. Her grandchildren were so special to her. I felt as if I knew them! She showed me many pictures of the family, which I appreciated. She talked often about Pam and her husband and her two children. God knew I needed a person who'd be so kind and accepting. I thank God for her life of service and acceptance. Scott, Kelly, and Eric, you're blessed to have a grandmother like her. I thank God daily for her impact on our family. She really taught me what family was. She was really like a mother to me. I praise God for her Godly example. I feel like she was a blessing to everyone who knew her.
