“ My beautiful, sweet Carolyn was my little and only sister. I know that one day we will be reunited but right now my heart is broken and I am in disbelief that she is gone. I will always remember her smile and the joy that she brought to my life. I am grateful to God that He saw fit to allow me to know and love her for 59 years and she will forever be a part of me and deep in my heart. Rest in Paradise Carol Ann. It's never goodbye, so see you later alligator and after a while crocodile. I love you!!💕💕

“ *For 16 years Carolyn ran the front desk at Randstad – greeting us each morning as we came to work and making sure that all visitors felt important. She was a consummate professional – handling all manner of situations with grace and intelligence and we will miss her presiding over our entryway. Thank you Carolyn – you will be greatly missed.*

“ Where are no words to express the sorrow in our hearts. Please except our deepest sympathy. In times of distress we need comfort that soothes our hearts. May the peace of God guard your hearts. Thoughts of peace.
