“Wow!! Sis Jamison was one of the many people I met when I started working at Greenforest Church. The most loving and kindness person I've come across along my life journey. So helpful to me and her willingness to help in any way possible. My God! Thank you for this beautiful soul! Sis Jamison love to look at the various toys I had for my grandchild, and if she saw something she really like, I'd tell her where to get it, or I would give the toy to her to share with her grandchild. I had just placed a toy order and couldn't wait to show her next week. Sis Jamison would always say I'm trying to feed her whenever she would stop by, but that's because I love sharing anything I had with her. My condolences to the Jamison Family and all who know and love her. May God bring you peace and comfort during this time. Many blessings to you all. I will miss her truly. I'm thankful to have met her.

“Carolyn, what a great soror and friend. We worked at AT&T for a short period. She was smart and caring, always on the positive side of any issue. So sad to say good bye. I will miss your Omega Omega but know that in spirit I am participating. Rest in Peace.
