“ My Dear Ms. Carolyn, you were an angel from heaven. Your light shined brightest when you walked in the room as you said loudly "Alright Now"! Derrick Anderson(R.I.P.) and I used to talk about how much we adored you. I was overjoyed when my Mom who drove Bus #1 would allow me to go home after school on Bus #7. You looked after me and made me feel special. You made everyone feel like they were your favorite but I knew I was your favorite.(lol) When my Dad passed away, you called my Mom almost everyday and she really appreciated it. To Erica, Regina, Hoover and Freddie, may God comfort you all and just know you have an angel looking over you who is pain free! Love yall Tonya Pitts
