“ I'm sorry that your loved one fell asleep in death. Our Grand Creator made a provision to resurrect dead ones... "God sent his only-begotten Son into the world so that we might gain life through him." (1John 4:9). Jesus confirmed his role in this provision when he promised: "I am the resurrection and the life. The one exercising faith in me, even though he dies, will come to life." (John 11:25). He gives additional encouragement in his words recorded at John 14:1... "Do not let your hearts be troubled. Exercise faith in God, exercise faith also in me."

“ Please accept my families sincere condolences. How hard it is to lose someone we love. The bible brings out that even Jesus grieved over a loved one who passed away. (John 11:35) But we see that through his father, Jesus gave us hope that we would see our loved ones again, we just need to put faith in him. (John 11: 25,26) How encouraging!
