“ Mrs. Johnson was a staple in the life of my family. My sister and I remember her from the days of Dixie Hills apartments in NW Atlanta. Mrs. Johnson had a style about her that many could not delicate. She was dedicated to her work, the community, and her family. All the family gatherings are etched in our hearts forever. Mrs. Johnson will be missed.

*It's with deepest sympathy that I extend to the family of Carrie Johnson. I knew Carrie from childhood back in the area of Sommer Hill, South West Atlanta, Pulliam Street. She and my mother were friends and neighbors. Rest In Peace my long time childhood acquaintance.*

*Clearly Honey's transition represents the end of an era for the Watson family. While we all mourn the loss of the matriarch of our family we have to also celebrate the blessed assurance that God had a plan for her life. If you ever had the pleasure of sharing some time with her you were made aware of what that plan was . . . to share the word and she did it with persistence. So though we will miss her we must rejoice in her longevity and salute her family for a life well lived. We offer a special note of thanks to her primary care giver, her daughter Shirley Johnson.*

*Having served, the commune to Mother Carrie and Shirley over the last 10 years as associate pastor of Allen Temple, I can attest to this family's faith, love of one another, love of the church and mankind. I must say I have grown in faith through Mother Carrie for I counted on her prayers as much as she did on mine, for she was a lover of the Word which she quoted often. May God bless this family as Mother Carrie now enjoys her new life in the presence of our Lord.*
