“ Carrie's presence on Agnes Scott's campus when I was a Return-to-College -Student in the early 90s was a true blessing! Her friendship, kindness and warmth lightened the pressure and worries of completing exams and papers and the juggle of being a single mom.

She often kept an eye out while my Renfroe middle schooler waited in the cafeteria til I finished my last afternoon class. I am absolutely certain Carrie's deep faith in the Almighty and her prayers helped many of us students, and sustained our spirits during those years! You are never forgotten, Carrie and you continue to be much loved and appreciated,

“ Carrie was one of the people who defined the values of Agnes Scott . Her warmth, compassion and integrity were evident to everyone. Carrie, Laura, Della, Robert and others were important to all of us, but especially to our African American students. Carrie worked in my office several summers and we became dear friends. I will miss her very much. My prayers are with her family. Gué Hudson
