“ An high school alumni whom I had not seen in years until I started working at MBS. I would often look for her and talk about the alumni picnics which she often attended. She was a sweet person and will be missed.

“ *Cassandra has been like a mother to for over the 12 years I have known her from working for CSC at the GA Dome. We've worked numerous details, and have had fun doing it. When I found out that she was going to be on my team at the Mercedes Benz Stadium, I know that a woman of character was going to join us to make things happen. I love you, and I'm going to miss your beautiful smile, love for some good old soul food, and your words of wisdom that you've shared with me over the years. God has called a truly great woman home, and she is definitely an angel watching over me. Thank you for everything.*
