“ I got to know Cathy & her family when I was her home health care nurse. She was always such a sweet & loving person. I'm sorry I only got to know her for a short time. She always had a positive attitude even on days when she felt bad. I will truly miss her. All my sympathy & prayers to her family.

“Cathy touched my life in a way she will never know. I enjoyed speaking with her on the phone and while our sons played football. Oh, how I will miss chatting with her on Saturdays. We would just laugh all the time. Ari and Shabathya, your mother was such a loving person. Never would she complain, and even when she was not feeling well, she would always greet everyone with a smile. Keeping you in our prayers ~Luanda, Hosea, Amir #22 and Isaiah Stephen.

“God's Word tells us of a future when He will wipe away all tears and even death will be no more. (Revelation 21:4). Consider God's assurance that The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out. God cares for you and He himself will sustain you now and in the difficult days ahead. (Psalm 55:22).

“ I will always remember Cathy's grin, which was rather contagious. You couldn't help but smile when you saw her. She was a happy, bubbly person and a lot of fun to be around during our days at Stony Brook. My thoughts and prayers go out to her family, friends and anyone who came in contact with her, because I know they were blessed by her.

“ We would like to send our thoughts and prayers to Ari and his family. Our son Hunter played football with Ari and we were given the chance to meet his wonderful mother. She was such a positive woman and it poured out of her. We didnt know her very well but, I could tell she was one hell of a person. Our hearts break for you Ari and your sister but, remember your memories of your mom will never leave your heart she will always be with you. This football season when you make that touchdown your mom will be cheering up in Heaven as if she were sitting in the stands. God Bless all of you at this time and always. “ Our family has known Cathy for a very long time. In addition, Cathy and I worked together as nurses at Gwinnett Medical Center. Cathy was an intelligent, kind, loving, giving, sweet person. Cathy was beautiful both inside and out. Cathy, you were much loved, and you will be dearly missed. The Paulemon family (Stanley, Tanya, Phara, Mike) sends its deepest condolences to Cathy's loved ones. God shall wipe all tears from their eyes; and there shall be no more death, nor crying, nether shall there be any more pain: for the former things are passed away.-Revelation 21:4

“ Cathy taught me life lessons without even knowing it. I had the chance to really get to know her after our sons played football together. Her spirit ALWAYS remained positive and her love and dedication to her children NEVER waned. When I visited her, she had so many reasons she could have complained, but instead said I could be better, but I could be worse...I am blessed I will always remember that...especially when I am even tempted to complain. Cathy tatoood the world of those who were blessed to know her with beautiful images that can never be removed.
