“ Cathy was always caring and it wasn't a hard choice to make or any hesitation of her kindness. She was my coworker and my friend. I loved to hear her bold laugh and see her happy when I could. I hate we parted from each other and we did not stay in touch with each other. I am still in denial about this, but God made a decision and I have to honor it. God has his Angel. God bless the family and their strength during this time.
