“ Cecilia reached out to me a few years ago, because she wanted me to help her to provide assistance to a fellow Grenadian here in Texas. We were able to do so. We have staid in touch since. I am saddened by her passing, may the many beautiful memories bring her family and friends much comfort. May she Rest In Peace

“ Dear Shakiera, Shamar, Briana, Ava, and the rest of the family. This is God’s will and one of the events in life that we have no control over and is very difficult to understand. God will give you the strength to go through and get through this. Take your time to grieve. Reflect on the good times and the not so good ones you shared with mom, grandma, because each one had its purpose. I loved my cousin dearly and will miss her a lot. We shared some very special moments and I have many pleasant memories to focus on. Yvonne will forever be in our hearts. Rest In Peace and in the arms of our Heavenly Father Yvonne.

“ Shakiera, Martin and I share in the sorrow of the sudden passing of your mother. She was a beautiful lady, with a smile that lit up a room. When conversing with her, during the several times I met her, she left me wanting more conversation because she had such a brilliant mind. I was thoroughly energized! Our thoughts and prayers are with you and the family. May the memories you hold dear in your heart and mind, bring you comfort in the difficult days ahead.
