It has been several years since I last saw Cedric, but I will always remember his snazzy dress and the huge smile! He was a valuable part of our team at City Hall. May you find comfort and peace in your memories and overtime I pray the tears will turn to smiles each time you think of him.

*God bless!

“ *Cedric and I met in the first grade at Orchard Knob Elementary in Chattanooga. I am exactly 2 days older than Cedric and our moms were in the same hospital when we were born. He was always a kind and friendly person. Throughout our school years we would often get in trouble for talking. Rest in heavenly my old friend. You will always be remembered.*
