“ When you have a cousin that you like and also love, that's even better. This hits hard, i am truly grateful for the time that we had at the. Reunion and getting a chance to laugh and tease you. You will be missed not only by your family, but your friends as well. When you get to heaven, say hi to everybody. Family stay strong.Cry when you wanna cry, scream when you wanna scream, find comfort in knowing he is what the Lord.

“ I met brother Ced when we moved from SC and joined Clarkston. He was the musician, and a very good one. He was so friendly, and when we both knew we were truck drivers, we talked almost everyday when we were in the road. What a great friend I had in him. Rest on driver driver as we called each other. Love you brother Ced, but lived and needed you most. Your brother in Christ, Leon Harrison.
