“ Ladybug the heartfelt compassion that you display to me speaks volumes. To know someone that constantly showed the value of always rising to the top no matter what speaks volumes. You touched everyone in a magnificent different way and for that I will forever be grateful. Keep smiling down on us, keep giving us the signs we need to excel. You are not gone or ever forgotten. Thank you for the nudge you have given to me through signs the last few days. ❤️❤️ Ladybug forever. Much love.

“ *Baby sister, so many things I had left to tell you. And you left me with all of these Words With Friends games... A couple of them I was winning too.. Lol.*

Well you used to be 900 miles and or a phone call away for me to reach out and touch you or simply say "Hi sister". Now I I can only look out my window, up into the sky and hope to see a glimpse of your beautiful eyes peering through the clouds amongs the clear blue skies. I'm happy you and Terrence had one another to love and you had a chance to be loved the way a Queen should be. I'm happy we had one last chance to sip champagne, laugh, shop and share sister time. I know I'll see you later. I'm learning to accept you are in a place where your pain is no more and spirit is truly free. We will tale care of Justice and Jaeden as our own. I'm sure you already knew that. I hope you knew I loved you just as much as I keep hearing you loved me from all of your friends. Mom and Dad's hearts are in an unmendable condition. But we will do our best to keep them for you in better spirits. I miss you so much. Until next time, sing a song in heaven for us 🥰🥰

“ Little known fact by few... One time while driving to Charlotte with my baby sister Chadonna in her silver Monte Carlo, I was abruptly startled. Everyone that knew her knew she drove like a bat out of hell. Well this time it wasn't her driving. Out of nowhere the stereo volume went from 25 to what seemed like 125! I was quickly trying to process what my ears were witnessing through the speaker's and my eyes too because Chadonna was suddenly in her own dance party behind the wheel just a jamming. Guess what she was jamming to... BILLY OCEAN - CARRIBEAN QUEEN 🤪🤪🤪🤪🤪 I died! She didn't care how loud it was or unpopular that was as a favorite among most of us. She was grinning and smiling the whole song, popping her fingers and seat dancing away. I just sat there and watched in awe and laughter. She told that was one of her all time favorite songs. #ladybugfacts☐

“ I had so many great memories of Chadonna. She wasn't only my big cousin but also a best friend, mother figure, auntie and just an all around strong woman. I admire her strength and no matter what anyone thought, she'll tell you the truth. I'll forever be grateful to have known her. I love you so much

I picked a green candle to light for you Chadonnah, because you are now at peace and green is the color of peace and tranquility. I love you and will always remember that beautiful smile, your sweet embraces and kisses on my cheek whenever I would see. Rest my lovely!!!

“ I have fond memories of Chaddona as a young child... always the "ham". If you had a camera Chaddona would flash her beautiful smile and pose for the picture. She always made me laugh!
