“ I know this might be late but i miss you very much granddaddy, you was the first person besides my mom to hold me when I was born. I really appreciate you for all you have done for me. You've been there for me whenever I needed you to be. I love you very much your the best Granddad I could ever ask for and I wouldn't change you for nothing, I miss you very much, I miss when you used to take me fishing with you, when we went to public's together, when we would watch wrestling together , I even miss when you use to yell at me for being in the Television light or being too loud. I just miss everything about you in general. You were my granddad and my buddy. I love you Grandma and you will forever be in my heart. Nobody can never take your place in my heart.

“ Pop I know you left when it was your time. Just know I love you and miss you deeply. You was always there thru the ups and down. That’s why you will always be my superhero in my life. Feels very different without you in the house. Your laughter and your voice is hard to miss pop. I thought it would be ok but it’s really not for me. But I know you are healthy and physical fit looking down on us. I love you pop and I miss you.

“ I love you Granddaddy. You spoiled me every since I was little. You was one of my father figures in my life and I thank you for everything that you did for me when I was growing up. I miss you so much but I know you not suffering anymore and I'm glad because it hurted me to see you in that shape because I saw you giving up on life. You made me laugh and even cry sometimes but I know it was all out of love. The house feels weird with out you in it but Ik you is happy up there with my brother, and my grandma your mom. I miss you and I love you Granddaddy, love Tootie

“ All of my dearest dreams and wishes came true because of Mr. Battle AKA Father-in-law AKA (Pop). The day that I met you, I felt a connection that I've never felt before with any of my patients. In an instant you became my second dad and future father in law, no longer my patient. Your smile was so beautiful, and although it's gone forever, I have many memories of our laughter about your breakfast sausage burritos that I spoiled you with every morning. God has you in his keeping, I have you in my heart. Sadly, you will always be missed, but I will never forget you. Losing you has brought tears to us all. But, one day your memories will bring us smiles. Pop, your journey has just begun. Love you always your Daughter-in-law Catherine Battle
