“ *My name is William Gettis and Charles was a good friend and fraternity Brother. I am the Chairman of the Savannah Interagency Diversity Council and Charles joined our organization in Savannah. He was very instrumental in helping us apply for and receiving our 501c3. We asked him to participate in our 2019 Diversity Summit in Savannah and didn't hesitate. He and his lovely wife drove from Atlanta to Savannah and he was the Master of Ceremony. All of organization members at the conference were so happy to see him.. He will be sadly missed by all who loved him especially our organization because he brought so much enthusiasm. He taught us how to be a beacon of light in the community and to ensure that we understand tje importance of diversity and inclusion in our lives and communities. We will miss him but GOD has called him home. Our prayers go out to his wife and family.*
