I worked with Colonel Brown for nine years teaching Junior ROTC. He was one of the most intelligent people I ever met, yet hilarious. He was a caring and strong advocate for education. Most of all, he was a great friend and a good Christian man. He will be greatly missed. May his soul rest in peace. My condolences to the family.

“ This man was my so called uncle who abused me physically and sexually and molested me and covered up the pregnancy I had with his late brother in law husband of arnetta. I had a son named Frank Allen after her father my grandpa. These two cut me and Deanna and John and Nancy Roberts morgan out of the will and took it for themselves saying I was entitled to 20\$ of my Nana's estate when they wanted to pay for my college and military. This man Charles sexually molested me and treated me like a slut he would call me.

“ *I used to call Charlie and check in on him every now and then. The last time I spoke with him was just before the shut down. He crossed my mind and I tried calling but the phone number was disconnected. I was sad to learn he passed...more than two years ago. You will forever be in our hearts Charlie Brown.*

“ Oh Man..... Where do I start? Well I will start off saying Colonel Brown you will be missed. It was a pleasure being in your class for 4 years. Even though you always got on me, and said 'JACKSON" What Are You Doing? And I started laughing. But I'm glad that I've got the chance to be in your class. You were a man of honor and integrity. So now you have lived your life and your legacy shall continue. Now fly high soldier. For you have ran and finished your race, and completed the course. Well done.... Until we meet again. Rest on soldier. See you later.....

“ Sending our prayers to you Arnetta and Garfield. I have many memories of Charles Frank and will miss getting those phone calls from him to check on us here in Charleston, SC, especially when we had hurricanes approaching. He was so sweet to us one time when we had to evacuate to Atlanta due to a hurricane. He called us every day while we were in Atlanta and came and bought breakfast for everyone in my family (10 of us!!!) one morning to help defray the cost of us having to be in a hotel and away from home for almost a week. I was so grateful and will never forget his thoughtfulness.
