“ *Uncle Charles , til we meet again. I cant say goodbye that seems so final and its hard for me right now to think of final. Our last conversation keeps playing in my head thank God for it . I think about the times spending the night at Mama Lene's and you having to share your room with the boys, that room right off the kitchen , where you could smell all the scents from food being cooked . At least it had easy access to the garage and that is where we would find you working on some kind of car or your prized motorcycle. That day I found out you had wrecked your motorcycle on that rickety Tyler bridge , I blamed the bridge and never wanted to cross it again not even as a child . There are tooooo many memories to share for me so I will just say that your smile and the way you loved and cared for your family all of us is my greatest memory of all. To your loving wife, kids and grandchildren as well as the rest of our family God is so in control and with prayer we will get thru this . Tell Daddy, Mam Lene, and Anthony to keep watching over us . TIL WE MEET AGAIN your niece Sheliah Caddell-Dennis*

Charles and I very good friends and classmates. We started at Jackson High and finished at Chapel Hill High Schools. I remember that old Chevy he had. They, meaning his good friend Eddie Dean would pay me a visit on any given day of the week but mostly on Sunday evenings. They both had cars, burn rubber what streaks of rubber they would leave. In fact, those streaks stayed on the road for months. Charles and his Chevy. I'll miss you friend

The sad news of our dear brother-in-law Charles passing has shocked and upset us beyond belief. No one is ever ready or prepared to accept such tragic news. We have so many fond memories of Charles, especially the music he would always record for us to play on our way back home from visiting our family in Georgia. I still have the eight tracks he produced and several tapes and CDs. We also remember the phone calls when Charles was working for the rail line. Charles would always call while waiting to return home. He will be missed. To my dear sister Dahlia, my niece Kanika and nephew Jeremy and the other Caddell family, our prayers are with you, and we love you.
