“ To the family of Charles W. Grant I did not know you personally, however, I was deeply saddened to read of her death. We don't always have to know a person or family to have empathy for them at such distressing time. Our loving Heavenly Father too has empathy for all of us who experience the sting of death. At Isaiah 63:9 it says of God: During all of their distress it was distressing to him... And mercifully our loving God assures us that death will be eliminated.- Revelation 21:4. And even further, at John 5: 28, 29, we have the hope of being reunited with our loved ones in the promised resurrection, into a world free from crime and violence, sickness and death. I pray that these scriptures and the warm memories of Charles W. Grant will comfort you until the time when you and she are reunited.

“ Rev. Grant you will be missed by so many but I personally thank you for over 26 years of your mentoring, sharing your wisdom and knowledge, laughter and friendship. You have built Clayton County Community Services Authority, Inc. into a model agency whose mission is that of your own, Helping people to help themselves. You dedicated your life to serving others with humility and grace. You taught us all well...your legacy will live on. Love you dearly.
