As a child growing up, I use to think my Uncle Charles was the coolest dude EVER!! He would come to pick up my cousins, Chuck & Kim in his cool van, that had a TV and a couch in it. I thought that was the coolest thing; He would occasionally let me tag along too. I'm going to miss you, but will always cherish my fond memories of you. ~ Tanya

“ *Charles and I use to spend the night with our grandma . She had a very small house. We had to share a bed and Charles didn't like it so when everyone else was asleep he would do things to scare me and make me cry.*
