“ Charles was a good friend I had the opportunity to meet at the U.S. Department of Energy in Atlanta in 1999. He introduced me to others I also became friends with. Charles was an avid reader and independent thinker. Just saying he was smart did not do him justice.

I'll always miss you Charles, good buddy. My sincere condolences to the loving family.

The Creator has a Master plan.

“ Obert,

You know how much we all love you and Charles. As a member of all of our card clubs, Miss Deal Bid Whist Club and Double Run Pinochle Club, we all enjoyed his friendship, wisdom, and bragging rights as he beat us. He is sorely missed but never forgotten. He remains in our hearts.

*We love you!

“ Charles was my church member and client. I enjoyed his excitement of he and Obert visiting South Africa In 2010. He enjoyed the group and immediately became friends with a group that he just met. Whenever, I scheduled new travel groups, he wanted to know if the same people were traveling with me. I will miss seeing him at Church. Rest In Peace my friend.
