“ Dear Mobley Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace and comfort as you think about this beautiful hope for the future.

“ *Man I have a heavy heart today not knowing my brother in Christ and in the US Navy Chief Mess has been called home. Today just shows me how precious life is and that God has can call anyone home at any time. Charles was a soldier/sailor when he was alive and now a solider in the Army of the Lord in Heaven. I met Chuck when going through Chief Initiation back in 2012 in Bahrain and he was not only a great mentor to me but a real brother that spoke real from the heart. He wasn't about politics or nonsense only being real and by the book. Brother the good fight will continue without you but you never be forgotten! To the family I offer my condolences and pray for strength to help all get through day by day now that Charles is gone. Please again except my condolences and please charge this late submission to my head and not to my heart. Rest in eternal peace brother.*
