“ *To Sis, the children and all other family and friends who loved Uncle Charlie, please know that I share your loss and pray for God's peace, comfort and love to surround you all . I will always remember his open house welcome whenever I spent time with his family, he had a way of making guests feel welcome and comfortable enough to feel "At Home ". I am an avid water saver while washing the dishes and I believe I'll always be . Lol ! I'll miss him as much as you all do ! After all , I am family also. Love, Nona*
