“ To Coach (Dr) Singleton’s family: I am so sorry for your loss. Thank you for sharing him with all of us Northwoods students over the years. He was the first adult who ever spoke to me as a person rather than as a child. His amazing field days gave me confidence in myself... i still have my ribbons. He invested incredibly in our lives as students. His faithful leadership and creative vision and boundless energy are inspiring, and have positively affected my life. I would see him after my elementary days at graduations, high school football games, etc... He was still investing in us as young adults. I am grateful.

“ I found out today that this profound man passed and my sincere condolences go to his friends and family. Dr. Singleton inspired so many people in his time with us. A lifelong learner, Chuck provided wisdom whenever he entered a room and we are all the better for this wonderful man’s company and tutelage. He will be missed dearly, though his smile will always stay in the memories of those who were graced with his presence.

“ Mr. Singleton was my P.E. teacher at Northwoods elementary from 1974-77. He was a teacher/coach of sports and life. Mr. Singleton was the definition of an innovative leader. Our school year consisted of sports for all seasons; football, basketball, softball, and track and field Olympics. Each morning he would broadcast a sports wrap-up segment of the previous day's events during the school morning announcements. Whenever it rained he taught his classes how to square dance. I am not surprised at all of his accomplishments and will definitely pick up a copy of his book. All of the students at Northwoods were inspired by him and stories of him are often shared to this day. It was a better world with him in it and Dr. Singleton will continue to be remembered. “ My oldest son just learned and shared Coach Singleton's passing with me. What a shock! I saw Dr. Singleton regularly either at Publix on Flat Shoals or QT on Wesley Chapel and would share with him updates on my sons who he mentored and inspired while teaching at E.L.Bouie Theme School. Those were the good ole days! I really appreciated him and he was so proud of how his students turned out. My sincere condolences and prayers for our to the family. He will certainly be missed.

“ I would like to extend my deepest condolences to the Singleton family. Although I never had opportunity to meet Dr. Singleton, I am proud to be able to call his daughter Carmen a very close friend! I now know that so many of the great things about her are the qualities that she shares with her father. Hoping that the Singleton family can find peace and comfort during this incredibly difficult time.

Oh what a shock to learn of Coach “Chuck” Singleton’s transition! My heart aches for the loss of the finest human being and P.E. teacher at ATHERTON Elementary Performing Art Magnet School. He was my friend, co-worker, neighbor and such an intelligent and proficient writer. I will cherish every book that he gifted me. I will miss his presence on Wesley Chapel and sometimes on his bike!
