“ *Mr. Waters was my manager from 2003-2005, while working at WORKTEC. He was the first person to give me an opportunity, when I relocated back to GA. When my mother took ill and passed away, he was very supportive and understanding. Condolences to the family and friends on the loss of Mr. Waters. May he rest in peace. Krystl Hardy*

“ I was saddened by the passing of my Good Buddy Charles. We have known each other since elementary school. We were pals from elementary school through high school and we started Maryland State College together. That was a great experience for us because we had not planned to go there. We had the opportunity and we took it. I have fond memories of the days while growing up, walking down to the Country Club at Great Oaks to caddy. I remember when we were in the 9th or 10 th grade, we used to dress alike even down to the shoes. They used to call us twins. There were four other guys we used to hang with and we called ourselves The Big Six. I always valued your opinion and advice. I would often ask your opinion on what you would do in certain situations. I will miss our conversations about sports and politics. Our last conversation was about religion but we never got a chance to finish our conversation. You referred to me as your Good Buddy and I referred to you as my Good Buddy.
Rest in Peace Good Buddy,
Bob
