Charles, my friend, you left too soon. I know it was not of your choosing and there are pressing matters where you are, but we grieve here with your absence. Know that all of us will miss you until that time of our great family reunion, where all of us will be together, one in the holy name of our Lord. Our prayers are for all of your family here, that they, like many of us, will come to know you are just waiting, for one brief moment and all will be as it was before. Terry & Lynn
