“ *Dear Brown Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous” May you have peace as you think about this beautiful hope for the future.*

To my husband, my friend, it's been hard since you've been gone and I am still hoping it's a dream. Sometimes I call your number but someone else has it now I be hoping you answer. I didn't get a chance to see you off and it breaks my heart. At least I got a chance of o tell you I love you before you left. Please come back I miss you

Your birthday passed the other day and I went to your grave it's so surreal. I went into trucking i think you would be proud of me, I am in Indiana now and you again are on my mind. Time is going by and you still not here and I can't come to grips with the fact you not here wish you are playing a prank on me. Never thought I would be a widow at a young age, I tried to find the dogs but to no avail, I miss you Charles.
