“ Charlie will always be remembered for that smile. I pray for the family especially Medrid and Mekhi...such awesome young men. He poured into them and I know they will continue to make him proud. Hard knowing I will never run into him again randomly or at Harper Day. May he now rest. Kimberly McNease Pullen C.L. Harper Class of 91

“ *I'm at a loss for words when I read that Charlie had past. We were high school classmates and 1 of my fondest memories of Charlie was that he was our “Candyman” he would often sell a variety of candy to all of the students in between classes. Charlie would always ensure that I would have my 2 favorite candy bars available. He would keep at least 1 Reese's Cup and 1 Snickers bar for me. Charlie and I later became Facebook friends after re-connecting back together after our military service. We often shared cooking recipes where he introduced me on how to cook & eat healthier. I will surely miss him. My heart felt condolences and prayers to The Henderson Family. I have no doubt that Charlie is peering down from above over Heaven's lofty balcony. Until we meet at the feet of Jesus my friend, rest well my brother! 🙏*

“ *This is a total shock. My last conversation with Charlie was he was ecstatic that he got that candy apple red truck running and was zipping around town. Charlie was my classmate as well as my Shipmate in the Navy. This guy had a heart of gold. My heart felt prayers go out to his wife and son's for strength and solace during their time of grievance and beyond. You will be missed Charlie but never forgotten my brother.*

“ My heartfelt condolences for your loss. Charlie was Awsome and that’s putting it lightly. He put me on to the business game on how it should be run. There’s so much more but when I look back, it was merely a drop in a bucket compared to the wisdom this man so unselfishly shared with me. I loved Charlie for a number of reasons, a friend, client, advisor, and for being a really good man. You’ll be missed. Rest well playa
