“ Charlie Pugh AKA Boo was my brother my friend and and comrade. My name is Larry Williams. Pugh and I grew up in Baltimore Md . We grew up in the 3900 Block of Woodridge rd in Edmondson village. He was my ride or die buddy. Boo was one of those friends you could call in that midnight hour and he would be there. The last time I was in Atlanta we set at his table sang Gospels in his little studio He and I and his wife Jennifer. Some people make you a better person by being your life. his parting leaves a huge hole my life. I called Morgan State and dedicated a song we use to sing together by the Persuasions. He Aint Heavy He's My brother. Its a long road but we will meet again my brother. May God continue to bless you and Jennifer. Peace from your fellow Block Buster. Much love Larry and Minto Williams

My sincere condolences to the Pugh Family. Mr. Pugh was always helpful in assisting us with stocking copy paper at copier machines and various other requests GDOL Clayton Career Center. He gladly volunteered to decorate during special events (Christmas decoration).

He always had a smile and genuine greeting for us. I will miss his tenor voice singing sounds

Praying that God will continue to strengthen all of you during this difficult time. Blessings! 🙏🙏🙏
