“ *To the Thomas family; Charlie and I were good friends and his wife and I were the best of friends. The three of us fellowship quite often. We like sports and he teased me about the Falcons. I teased him about being a Republican. We had good times and enjoyed each other company. I will miss him and sorry for your loss. It's nothing like having a brother. Rest in peace and we will meet again. Vera E. Powell-Thomas.*

We met Charlie through our dear friend Marsella, who later became his wife. Charlie became as special to us as Marcella. We valued their friendship and we will miss Charlie and his sweet calmness smile.
