“*Mr. Woods was a great neighbor of over 40 years to our family living right next door. My father and him share many wonderful memories being like brothers to one another and Mrs. Woods and my Mom are like sisters. He was a man full of love, gentleness, faith and fun. He was Santa to many of the neighborhood kids and exuded only goodness to the kids. Their home is like a WINTER WONDERLAND every year to all who pass through! We appreciate him for all that he did and was! Praise God for his life and legacy. May God grant abundant peace and comfort to the family throughout this difficult time.*

*Love Always,

“ Hey Uncle Charlie,  
Today feels unsureal. All of this unsureal. You've been our rock. You drove me to college my freshman year, and even tho you were hot and ready to go, you stayed and some good fried chicken for lunch. I wish you were able to come to my graduation 💔 i made it my mission to come over and show you my degree, but dragged my feet. You gave me so many laughs and perfectly grilled hot dogs 😂 Nothing will ever be the same or feel right without you. I'll forever miss you, the van, your chair, and Sunday Football. Tell my mom & grandma heeeeeeey! As much as this hurts ... i know you're reunited with everyone and smiling down on us. Thank you for everything. Rest Easy Unc 🕊

Love you ,

*In our Hearts*

*"We thought of you today.  
But that is nothing new.  
We thought about you yesterday.  
And days before that too.  
We think of you in silence.  
We often speak your name.  
Now all we have are memories.  
And your picture in a frame.  
Your memory is our keepsake.  
With which we'll never part.  
God has you in his keeping.  
We have you in our hearts."*

“ *Mr. Woods,  
You will always be remembered as my daddy's best friend. As a child, I have fond memories of you and your soft-spoken conversations, your smile and just truly being a good family friend. You welcome me to your home on several occasions but the one I am so grateful for was when I stayed for at least 7 months trying to find my way to adulthood. I Pray you and my daddy Ted are rejoicing in heaven together again. May you rest in the bosom of God forever.*

*Sending my condolences to Katie, Derrick, and Deborah. I love you all and may God wrap his arms of comfort around you.*
