“ We give thanks to God for the life, legacy, and love shared by our beloved Charnelle Rashun Davenport. Proverbs 10:7, reassures "Good people will be remembered as a blessing.. " Charnelle's "DASH STORY" is a praise to God and an everlasting memory of God blessing so many lives through her. May God's peace abide in the hearts of her father, mother, sister (Soror), and others as offered by Jesus: "Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid. (John 14:27).

*Goodnight Charnelle, we will see you in the morning!
Lovingly in Christ, Reverend Leatrice A. Williams*

“ Charnelle Davenport and I met on August 12,2007 and that day was the day I met would go on to be one of my best friends. We worked together at University of Georgia and I learned so much from friend. Our bosses used to call us the dynamic duo. The job was a stepping stone for her while she would go on to earn her degrees and move forward to become a very important part of the Dekalb County School system. She left UGA but she didnt leave me. I replay the pep talk she gave me when the dynamic duo seperated you have to take flight on your own but you got this and when ever you need me or you're not sure call me I got you girl. That was my friend and she had me anytime I needed her. I am truly going to miss my friend. She called me T and I called her C and the last time we spoke she said I love you T. Well I love you to C . Rest well my friend.

“ With heartfelt sympathy to the parents, sister and family and friends of Charnelle. My heart aches for you. May God give each of you what you need now and in the hours, days, weeks, months and years to come. I met Charnelle once and what an impression she left on me and my family. She mentored my grand children and was a godmother to them as well. Our community longs for her spirit and pray memories will last forever in our hearts. If we can take anything from this, we must take an ounce of her love, dedication, selflessness to try to make the world a better place in her honor. God bless you all, Terri Smith!!!

“ Ms. Charnelle aka Dr. davenport was like a godmother to me, she helped me a lot in school and through many depressing and painful thing throughout high school. When ever we were in school Id always go straight to her office and talk to her for how ever long I had with her just to talk wit her, I used to call her my twin because our names where so much alike, mines is Chanelle and hers was Charnelle, I was the only one in the school that could call her Ms. Charnelle anyone else would get in trouble for calling her that. She was like my god mother to me my whole family has known her for years and once i started going to McNair we hit it off right away. I loved her so much and as im typing this i cant stop crying so much. She was a great person, woman, mentor, counselor, assistant principle and god mother to me and i really wish i could have seen her one last time before she left. If you can see this Ms. Charnelle i love you ad always will thank you for being there for me when i felt i had nothing and no one by my side at least i always had you on my side, just know you are never forgotten you are always loved and I and everyone whoever loved you still LOVES you! always and forever

Ray and Cathey, you did an awesome job raising a beautiful spirit. As an academic professional, Charnelle was always willing to help others, by uplifting, encouraging and motivating all students, including her family. Although a short time here with us, she bestowed upon us the meaning of true family love and her compassion as an educator.
