“ Miss Mama was amazing to say the least. She was one of the few adults in my life that loved and accepted me unconditionally. She came to my rescue so many times I've lost count. Driven me up and down the hwy whether we were coming back from dropping Aleaka off at college or driving me to SC because of family issues. I've always called her Miss Mama because she was a second mom to me. I met her in Kindergarten and will never forget her smile, laugh and kindness. I say all that to say how amazing she was and it's amazing to hear how many lives she positively impacted including mine.

Rest In Peace and I hope to see you again ❤️

“ *My condolences to the family of Chiniqua Johnson. We worked briefly together several years ago at State Farm in Duluth, GA. I remember Chiniqua as the consummate professional. She was very nice, very smart, friendly and she was always positive and smiling. I really enjoyed working with her. We used to laugh at how often people would mix up our names and deliver her mail to me and vice versa. Safe journey, Chiniqua. Fly high!!!*

“ My name is Sandra George. I would like to share a loving memory of my sister Chiniqua. We were not blood sister but we were sisters of a different bond. When I was diagnosed, she took me under her wing and she guided me. She gave me information. She took such good care of me and her door was always open and she told me I could call her day or night it didn't matter that time of the hour. I was so scared, but she made me strong and she made me believe that I could beat this and I did and she did. I just want her to know. I want everybody to know that I loved her and even though she's gone in flesh, she will be in my heart and in my fight for the rest of my life because of her I am strong
Love Always
