“ To know Christeena is to absolutely adore her! Christeena loved her family and always loved sharing what was going on in her life. When Christeena was in a classroom, I always said that I wanted to be her best friend and live in her classroom with her. Christeena gave so much of herself and impacted children, their families, her co-workers and friends in such a positive way.

My thoughts and prayers are with Christeena's family. Words cannot express how much you will be missed. I love you my friend!! Lisa Davis

I met Christeena and the Eure family when she was in the second grade. She, Charles and my boys went to school together. How very sad to learn of Christeena going to heaven so soon. Always had a bright smile and so sweet. Good friend to my boys. Bless you all.
