“ Me and Christin worked together at Marshalls in Buckhead and he
was like a little brother to me (it's just a coincidence that we actually
had the same last name Harris). I am really going to miss his jokes,
silly sense of humor, his smile and his good advice. He really did
touch many lives in his short time here. He is going to be really
missed. To his family and friends you guys have gained a new angel
now

“ *Chris as we all know him will be greatly missed from our presences but not from our hearts. Let's celebrate him in every way that we can and spread the joy and kind heartedness that he brought with everyone that we encounter. Let us all join hands and form a circle of love and support around his children so that they continue to grow together and know that they have some one to turn to in every comer of their life. The Ward family is here for you all, our door is always open to you and your family.*
