“ To the children of my dear sister/friend Christine Radars who I have known for 45 years. My heart was broken into when I got the word that she had passed and no longer with us, the tears immediately flowed down my face. You all are in thoughts and prayers. May God give the strength to get through such a difficult time. I love you all. I'm just a phone call away.

“ I remember living in Tobie Grant and she and I became next door neighbors. We became friends and started talking and looking out for each other, boy the times we had each other's back. She loved the way I would hang my clothes on the line when Tobie Grant had clothesline. I loved her smile and those beautiful eyes she has; she was an amazing, sweet and straight up person to have in your life.
